Background: This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with GPD Group for the Alkire Park Improvements - Phase 1 Design Project. The contract amount is \$104,937.00, with a contingency of \$12,061.00, for a total of \$116,998.00 being authorized by this ordinance.

In 2007, the Recreation and Parks Department acquired 110 acres of former farmland on the city's east side, near the Village of Galloway. The property is located within the Big Darby environmental preservation area. It is considered a key preservation site for the watershed on the boundary of Columbus and the Big Darby. As part of the acquisition, 25 acres of land was set aside for a future neighborhood park for Columbus residents in the Laurel Greene and Southwest Airport Neighborhoods.

In 2020, OHM Advisors worked with the Recreation and Parks Department, Westland Area Commission, and the Darby Accord Advisory Group to create a master plan for Alkire Park. The master plan demonstrates a low-impact, sustainable park that provides a natural, accessible, and multi-generational recreation space to the surrounding neighborhoods.

The Alkire Park Improvements - Phase 1 Design Project will include the production of all bidding and construction documents necessary to build out phase 1 of the master plan for Alkire Park. Phase 1 includes site earthwork, demolition, utilities, parking area, drive, portable toilet screens, landscaping, a playground, site furnishings, and path connections to nearby neighborhoods and the Camp Chase Trail.

Vendor Bid/Proposal Submissions (ODI designation status):

Proposals were advertised to three pre-qualified A/E firms that were prequalified through the biannual Request for Statement of Qualification (RFSQ) process through Vendor Services, in accordance with City Code Section 329, on May 3, 2021 and received by the Recreation and Parks Department on May 17, 2021. Request for proposals were sent to the

following companies:

GPD Group (MAJ)
EG, Inc. (MAJ)
The Mannick & Smith Group, Inc. (MAJ)

Of note, professional services contracts are quality based selections and not based on price. Costs were not requested nor where they part of this evaluation.

In accordance with City Code, a selection team evaluated the proposals, conducted short list interviews, and recommended GPD Group be selected to perform the work. The firm was chosen based on their referenced projects, experience, qualifications, availability, timeline, and project approach.

Input has been gathered during the master planning and programming phase of Alkire Park development with Westland Area Commission, the Darby Accord Advisory Group, and Prairie Township. Those advocacy groups will also be engaged during the phase 1 design phase to gather consensus on the design elements.
