1. BACKGROUND

This ordinance authorizes the Director of Public Service to enter into contract with Complete General Construction Company for the Signals - Battery Backup Phase I project and to provide payment for construction, construction administration and inspection services.

This contract includes the installation of self-contained battery backup systems at designated locations to provide backup power for traffic signal operation in the event of primary power disruption and other work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

The estimated Notice to Proceed date is November 29, 2021. The project was let by the Office of Support Services through Vendor Services and Bid Express. Three bids were received on September 28, 2021, (two majority and one woman business enterprise) and tabulated as follows:

<u>Bidder</u>	<u>Bid Amount</u>	<u>City/State</u>	<u>MAJ/MBE/WBE</u>
Complete General Construction Company	\$236,241.50	Columbus, OH	MAJ
U.S. Utility Contractor	\$258,223.58	Columbus, OH	WBE
M P Dory Co	\$316,470.00	Columbus, OH	MAJ

Jess Howard Electric Company was originally the lowest bidder. In accordance with the provisions set forth in the City of Columbus, Construction and Materials Specifications, 2018 Edition, Item 102.13, Jess Howard Electric Company formally requested to withdraw their bid due to a mathematical error. The City approved the withdrawal request.

Award is to be made to Complete General Construction Company as the lowest responsive and responsible and best bidder for their bid of \$236,241.50. The amount of construction administration and inspection services will be

\$23,624.15. The total legislated amount is \$259,865.65.

Searches in the System for Award Management (Federal) and the Findings for Recovery list (State) produced no findings against Complete General Construction Company.

2. CONTRACT COMPLIANCE INFORMATION

The contract compliance number for Complete General Construction Company is CC006056 and expires 6/8/23.

3. PRE-QUALIFICATION STATUS

Complete General Construction Company and all proposed subcontractors have met code requirements with respect to pre-qualification, pursuant to relevant sections of Columbus City Code Chapter 329.

4. FISCAL IMPACT

Funding for this contract is budgeted, available, and appropriated within Fund 2265, the Street Construction Maintenance and Repair Fund.

5. EMERGENCY DESIGNATION

Emergency action is requested in order to complete needed improvements at the earliest possible time to ensure the safety of the traveling public.

To authorize the Director of Public Service to enter into contract with Complete General Construction Company for the Signals - Battery Backup Phase I project; to authorize the expenditure of up to \$259,865.65 from the Street Construction Maintenance and Repair Fund for the Signals - Battery Backup Phase I Project; and to declare an emergency. (\$259,865.65)

WHEREAS, the Department of Public Service is engaged in the Signals - Battery Backup Phase I project; and

WHEREAS, the work for this project consists of the installation of self-contained battery backup systems at designated locations to provide backup power for traffic signal operation in the event of primary power disruption; and other work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents; and

WHEREAS, Complete General Construction Company will be awarded the contract for the Signals - Battery Backup Phase I project; and
