BACKGROUND: This legislation authorizes the Finance and Management Director to modify and extend a contract on behalf of the Office of Construction Management with BBCO Design, LLC in an amount up to \$500,000.00 for Professional Architectural and Engineering Services (A/E). The original contract was authorized by Ordinance No. 1169-2018 and approved by City Council on May 24, 2018.

The modification of this contract is necessary in order to begin design for the renovation and expansion of the female locker room and shower facility at the Fire Training Academy, located at 3639 Parsons Avenue. Due to the increase in the number of female cadets completing their training, the existing facilities are not sufficient to accommodate the future space needs of the Division. This modification will also provide the Office of Construction Management with continuing, contractual access to professional Architectural/Engineering services as well as provide technical expertise, complete architectural design and construction administration for each project, including but not limited to: structural, mechanical, electrical, and civil engineering; programming/space planning, site development, full design, cost estimating, construction inspection, shop drawing review; as well as geotechnical, environmental site assessment, landscaping, and other services as required for the completion of the project.

This modification will also extend the contract through June 21, 2023.

Prices already established in the contract were used to determine the cost of this modification.

BBCO Design, LLC Contract Compliance No. 27-1134922, expire March 31, 2022

Emergency action is requested so that design work may continue as required without interruption.

Fiscal Impact: This ordinance authorizes the expenditure of \$500,000.00 from the Safety Voted Bond Fund with BBCO

Design, LLC for continuing, contractual access to professional Architectural/Engineering services.

Original Purchase Order Amount (1011-2017):	\$300,000.00
Modification No. 1 (0546-2020):	\$97,802.00
Modification No. 2 (1230-2021):	\$250,000.00
Modification No. 3 (current):	\$500,000.00
Total (Original and Modification):	\$1,147,802.00

To amend the 2020 Capital Improvement Budget; to authorize the Director of Finance and Management to modify an existing contract, on behalf of the Office of Construction Management, with BBCO Design, LLC for Professional Architectural and Engineering Services; to authorize the transfer of \$500,000.00 between projects within the Public Safety Voted Bond Fund; to authorize the expenditure of \$500,000.00 from the Safety Voted Bond Fund; and to declare an emergency. (\$500,000.00)

WHEREAS, the Finance and Management Department, Office of Construction Management desires to modify and extend a contract for architectural and engineering services for City facilities; and

WHEREAS, it is necessary to modify and extend a contract with BBCO Design, LLC in an amount up to \$500,000.00 for such services; and

WHEREAS, the original contract was authorized by Ordinance No. 1011-2017 and approved by City Council on May 12, 2017; and

WHEREAS, Ordinance 0546-2020 authorized an initial modification to the professional services contract in the amount of \$97,802.00 for continuing, contractual access to professional Architectural/Engineering services; and

WHEREAS, Ordinance 1230-2021 authorized a second modification to the professional services contract in the amount of \$250,000.00 for continuing, contractual access to professional Architectural/Engineering services; and

WHEREAS, it has become necessary to execute a third modification for the contract in a amount up to \$500,000.00 for continuing, contractual access to professional Architectural/Engineering services; and

WHEREAS, it is necessary to authorize the expenditure of \$500,000.00 from the Construction Management Capital Improvement Fund; and

WHEREAS, these services include but are not limited to contractual access to professional architectural/engineering services as well as provide technical expertise, complete architectural design and construction administration for each project, including but not limited to: structural, mechanical, electrical, and civil engineering; programming/space planning, site development, full design, cost estimating, construction inspection, shop drawing review; as well as geotechnical, environmental site assessment, and landscaping; and,

WHEREAS, an emergency exists in the usual daily operation of the Department of Finance and Management, Office of Construction Management, in that it is immediately necessary to authorize the Director to modify and extend a contract with BBCO Design, LLC so that the Professional Architectural and Engineering Services projects can proceed without interruption on behalf of City departments, thereby preserving the public health, peace, property, safety, and welfare; **now, therefore**
