The evaluation committee consisted of two (2) representatives from the Division of Sewerage and Drainage, one from the Compost section, one from the Fleet section; and one representative (1) from the Office of Diversity and Inclusion. Each member of the committee scored and ranked written proposals submitted by the offerors. As only two proposals were received, both companies were invited to make oral presentations. After evaluating the two offers and presentations, in compliance with City Code 329, the committee submitted final rankings. Ecoverse Industries Limited received the highest score, with 116 out of a possible 130 points. The second place bidder, Maverick Environmental Equipment, received a score of 105 points.
