Council Variance Application: CV22-001

APPLICANT: Simplified Living Architecture; c/o Heidi Bolyard; 6065 Frantz Road, Suite 205; Dublin, OH 43017.

PROPOSED USE: Mixed-use development.

VICTORIAN VILLAGE COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance #0991-2022; Z21-096) to the AR-O, Apartment Office District. The applicant proposes the addition of two dwelling units above an existing one-story dental office. A variance is necessary because the AR-O, Apartment Office does not permit a building containing less than three dwelling units. Staff supports the requested variances as demonstrated on the submitted site plan as they are consistent with similar infill developments in urban neighborhoods. Staff notes a Certificate of Appropriateness from the Victorian Village Commission is required for the final design of the proposed addition.

To grant a Variance from the provisions of Sections 3333.04, Permitted uses in the AR-O apartment office district;

3312.21(A)(D), Landscaping and screening; 3312.27, Parking setback line; and 3333.24, Rear yard, of the Columbus City Codes; for the property located at **910 DENNISON AVE. (43201)**, to permit mixed-use developed with reduced development standards in the AR-O, Apartment Office District (Council Variance #CV22-001).

WHEREAS, by application #CV22-001, the owner of property at **910 DENNISON AVE. (43201)**, is requesting a Council variance to permit a mixed-use development with reduced development standards in the AR-O, Apartment Office District; and

WHEREAS, Section 3333.04, AR-O, Permitted uses in the AR-O apartment office district, prohibits dwellings containing fewer than three units, while the applicant proposes two dwelling units above the existing dental office; and

WHEREAS, Section 3312.21(A), Landscaping and screening, requires the interior of any parking lot containing 10 or more parking spaces to provide one deciduous shade tree per 10 spaces within islands or peninsulas, with two trees being required for a 12 space parking lot, while the applicant proposes to maintain no interior shade trees; and

WHEREAS, Section 3312.21(D), Landscaping and screening, requires headlight screening in a landscaped area at least four feet in width and to a total height of no less than three feet with an opacity of no less than 75 percent, while the applicant proposes to maintain no headlight screening for the parking lot along Dennison Avenue; and

WHEREAS, Section 3312.27, Parking setback line, requires the parking setback line to be 25 feet along public streets, while the applicant proposes to maintain reduced parking setback lines of 0 feet along Dennison Avenue and 4 feet along West 1st Avenue; and

WHEREAS, Section 3333.24, Rear yard, requires that each dwelling, apartment house, or other principal building shall be erected so as to provide a rear yard totaling no less than 25 percent of the total lot area, while the applicant proposes to maintain a rear yard of 6.7 percent; and

WHEREAS, the Victorian Village Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval because the requested variances are consistent with similar infill developments in urban neighborhoods and reflect existing conditions; and

WHEREAS, this ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **910 DENNISON AVE. (43201)**, in using said property as desired; now, therefore:
