Council Variance Application: CV21-078

APPLICANT: Farris Development; c/o Brenda Parker, Agent; 405 North Front Street; Columbus, OH 43215.

PROPOSED USE: Three two-unit dwellings.

NORTH CENTRAL AREA COMMISSION RECOMMENDATION: Disapproval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of six undeveloped parcels zoned in the ARLD, Apartment Residential District. The requested Council variance will allow the development of three two-unit dwellings on three proposed lots. A Council variance is necessary because the ARLD, Apartment Residential District only permits a two-unit dwelling when the lot meets specific platting and area district exception criteria (CC 3333.055). Although the *North Central Plan* (2002) recommends single-unit residential land uses for this location, staff supports the increased density as the site has frontage along Joyce Avenue which is a major corridor, and because the existing zoning would permit an apartment house with up to 15 units. The proposed dwellings are consistent with the established development pattern along Joyce Avenue. The request will not introduce an incompatible use to the surrounding neighborhood.

To grant a Variance from the provisions of Section 3333.02, AR-12, ARLD and AR-1 apartment residential district use, of the Columbus City Codes; for the property located at **1765 BLAKE RD. (43219)**, to permit three two-unit dwellings ARLD, Apartment Residential District (Council Variance #CV21-078).

WHEREAS, by application #CV21-078, the owner of the property at **1765 BLAKE RD. (43219)**, is requesting a Variance to permit three two-unit dwellings, each on its own parcel, in the ARLD, Apartment Residential District; and

WHEREAS, Section 3333.02, AR-12, ARLD and AR-1, Apartment residential district use, does not permit single-unit or two-unit dwellings on parcels that do not meet the platting exception criteria contained in CC 3333.055, while the applicant proposes a two-unit dwelling on each of three proposed parcels; and

WHEREAS, the North Central Area Commission recommends disapproval; and

WHEREAS, City Departments recommend approval because while the *North Central Plan* recommends single-unit residential land uses for this location, staff notes the existing zoning allows for apartment residential uses, and the site is located on a major corridor. The proposed dwellings are consistent with the established development pattern along Joyce Avenue, and will not introduce incompatible uses to the surrounding neighborhood; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1765 BLAKE RD. (43219)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
