Council Variance Application: CV21-115

APPLICANT: 520 Columbus, LLC; c/o Michael Shannon, Atty.; Underhill & Hodge, LLC; 8000 Walton Parkway, Suite 260; New Albany, OH 43054.

PROPOSED USE: Mixed-use development.

BREWERY AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of one parcel developed with an eating and drinking establishment in the C-4, Commercial District subject to the South High Street/South Front Street Urban Commercial Overlay. The site received approval for an 85-space parking reduction from the Board of Zoning Adjustment in 2014. The Applicant is requesting a Council variance to permit a mixed-use development containing up to 7,650 square feet of retail uses and 67 apartment units. Variances for increased building height, required bicycle parking location and a parking space reduction from 117 required to 68 provided spaces are included in the request. The site is within the planning boundaries of the *Brewery District Plan* (1995), which does not contain a specific land use recommendation for this location, however, the final design of the proposed building will need a Certificate of Appropriateness from the Brewery District Commission. The Applicant completed a parking study and received support for the parking variance from the Department of Public Service. Staff finds the proposed mixed-use building and requested variances to be

consistent with development pattern of South High Street and similar infill projects in historic urban neighborhoods.

To grant a Variance from the provisions of Sections 3356.03, C-4 permitted uses; 3309.14, Height districts; and 3312.49 (A)(C), Minimum numbers of parking spaces required, of the Columbus City Codes; for the property located at **520 S. HIGH ST. (43215)**, to permit a mixed-use development with reduced development standards in the C-4, Commercial District (Council Variance #CV21-115).

WHEREAS, by application #CV21-115, the owner of the property at **520 S. HIGH ST. (43215)**, is requesting a Variance to permit a mixed-use development with reduced development standards in the C-4, Commercial District; and

WHEREAS, Sections 3356.03, C-4 permitted uses, permits residential uses only above certain commercial uses, while the applicant proposes ground floor residential uses and amenities; and

WHEREAS, Section 3309.14, Height districts, requires a maximum building height of 60 feet at the setback for this property, while the applicant proposes a multi-story building not to exceed a height of 79 feet; and

WHEREAS, Section 3312.49(A), Minimum numbers of parking spaces required, requires bicycle parking spaces be located in a highly visible area on the property for the uses to be served, while the applicant proposes to provide the required bicycle parking spaces within a designated area in a private parking garage that cannot be directly seen from the public right-of-way; and

WHEREAS, Section 3312.49(C), Minimum number of parking spaces required, requires 1.5 parking spaces per dwelling -unit, or 101 spaces for a 67-unit apartment building, and 1 parking space per 500 square feet of retail uses, or 16 spaces for 7,650 square feet of retail uses with a 50 percent reduction per the parking requirement reductions in Section 3372.609, for a total of 117 parking spaces, while the applicant proposes to provide 68 parking spaces on the subject site; and

WHEREAS, the Brewery Area Commission recommends approval; and

WHEREAS, the City Departments recommend approval of the requested variances because the proposal is consistent with the development pattern of South High Street and similar projects in historic urban neighborhoods. Additionally, the new building's final design is subject to approval by the Brewery District Commission; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed uses; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **520 S. HIGH ST. (43215)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

HIGH ST. (43215)**, insofar as said sections prohibit ground floor residential uses and
