BACKGROUND: This legislation authorizes the Finance and Management Director to enter into a contract on behalf of the Office of Construction Management with Mull & Weithman Architects to provide a complete architectural and engineering design as well as construction administration services for the new Fire Station #36 located at the southeast corner of Harlem Rd & Central College Rd.

The project shall include space planning, design, engineering and construction administration services to build a new fire station. The new fire station will be approximately 25,000 square feet, one (1) story with subgrade lower level, four apparatus bays. The new fire station will include a watch booth, sleeping rooms, kitchen, dayroom, medical storage room, turnout gear room and public EMS room. MEP design will include an external whole house generator, location fire alerting system, direct exhaust capture system and possible solar panel utilization.

The Department of Finance and Management, Office of Construction Management, solicited a request for proposals, which was formally advertised on December 2, 2021. The City received three (3) responses (0 AS1, 0 FBE, 0 MBE,) as follows:

Bidder/Consultant	City	Certification
Mull & Weithman Architects	Columbus	EBO_CC
Williams Architects	Columbus	EBO_CC
BBCO	Columbus	EBO_CC

Mull & Weithman Architects received the highest score by the evaluation committee and will be awarded the Design of Fire Station #36.

Mull & Weithman Architects's Contract Compliance No. 31-1635306, expiration date May 14, 2024.
