Council Variance Application: CV19-135

APPLICANT: Teen Challenge for Girls, Inc.; c/o Mark R. Denny, Agent; 1675 Gateway Circle; Grove City, OH 43123.

PROPOSED USE: Shared living facility expansion.

NORTHEAST AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of one parcel developed with a shared living facility established by Ordinance #1329-96 (CV96-007) in the R-1, Residential District. A new Council variance is required for a proposed building and garage that will provide space for their programming needs, and to permit parking for a food truck associated with fundraising efforts for the facility. Additionally, the request includes a parking reduction from 37 required spaces to 24 provided spaces. The site lies within the planning boundaries of the *Northeast Area Plan* (2007), which recommends institutional land uses at this location. The request will allow an existing shared living facility to expand as shown on the submitted site plan, and does not add an incompatible use to the neighborhood.

To grant a Variance from the provisions of Sections 3332.03, R-1 residential district; and 3312.49(C), Minimum numbers

of parking spaces required, of the Columbus City Codes; for the property located at **2859 INNIS RD. (43224)**, to permit a shared living facility and parking of a food truck with reduced parking in the R-1, Residential District, and to repeal Ordinance #1329-96, passed July 15, 1996 (Council Variance #CV19-135).

WHEREAS, by application #CV19-135, the owner of the property at **2859 INNIS RD. (43224)**, is requesting a Variance to permit a shared living facility and parking of a food truck with reduced parking in the R-1, Residential District; and

WHEREAS, Section 3332.03, R-1 residential district, does not permit a shared living facility or food truck parking, while the applicant proposes an expansion to the existing shared living facility and to park a food truck on the property; and

WHEREAS, Section 3312.49 Minimum numbers of parking spaces required, requires 1 parking space per 400 square feet for a shared living facility, while the applicant proposes reduced parking from 37 spaces to 24 spaces; and

WHEREAS, the Northeast Area Commission recommends approval; and

WHEREAS, City Departments recommend approval of the requested Council variance because the request will permit expansion of existing shared living facility, and does not add incompatible uses to the neighborhood; and

WHEREAS, said ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **2859 INNIS RD. (43224)**, in using said property as desired; now, therefore:
