BACKGROUND

This legislation authorizes the Director of the Department of Development to modify (Modification No. 1) a contract with Anointed Touch Cleaning Service LLC to add an escalator clause and funding to permit a fuel surcharge in light of the rising costs of fuel.

Original contract amount	\$ 20,000.00	Ord. N/A	PO310733
Modification No. 1 amount	\$ <u>1,000.00</u>		
Total contract amount	\$ 21,000.00		

The purpose of the lawn care program is to provide services such as routine mowing, removal of brush and excessive high grass, and all foreign material, and similar work for properties held by the Land Redevelopment Division.

Companies responded to an Invitation to Bid, RFQ020241 in 2021 and were selected by an evaluation committee as the companies with the best proposals based on prior experience, resources and qualifications. The bids allow the establishment of one year contracts with an option to extend an additional year.

The Department of Development advertised RFQ020241 on Vendor Services in October 2021 for the lawn care program and 18 bids were received. The Director of Development entered into contract with 13 bidders under the authority of Columbus City Code Section 329.19. The contract period is from the date of approval of the purchase order to February 28, 2023, with an option to renew one additional year, through 2024.

Since the origination of the agreement with Anointed Touch Cleaning Service LLC, fuel costs have risen significantly and have impacted lawn care program providers' ability to perform services under the contracted fee amounts. To remedy this unforeseen cost, modification of the original agreement to include an escalator and de-escalator clause for fuel surcharges is necessary. Without this modification, providers may terminate their current contracts, requiring the City to seek competitive proposals that take the current fuel costs into consideration. A modification of the current agreements saves

the City both the expense and time associated with seeking services from new providers.

The escalator and de-escalator clauses will allow providers to charge a 5% fuel surcharge to each invoice that covers work completed during a time of high/rising fuel costs. The de-escalator portion of the modification will eliminate the fuel surcharge if/when fuel costs fall closer in line with costs at the time that the agreement was entered into.

Additional funds will be added with this modification to cover the fuel surcharge costs.

Emergency action is requested in order to continue to provide services without interruption.

FISCAL IMPACT: Funding of \$1,000.00 is available in the Land Management Fund (2206).

CONTRACT COMPLIANCE: the vendor number is 020522 and expires 1/6/2024.

To authorize the Director of the Department of Development to modify a contract with Anointed Touch Cleaning Service LLC to include an escalator and de-escalator clause for fuel surcharge fees; to authorize the appropriation and expenditure of up to \$1,000.00; and to declare an emergency. (\$1,000.00)

WHEREAS, the Director of the Department of Development has identified the need to modify a contract with Anointed Touch Cleaning Service LLC to include an escalator and de-escalator clause for fuel surcharge fees, to increase the contract amount by \$1,000.00; and

WHEREAS, the Department of Development advertised RFQ020241 on Vendor Services in October 2021 for the lawn care program, 18 bids were received, and the Director of Development entered into contract with 13 bidders under the authority of Columbus City Code Section 329.19; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development in that this contract extension and modification should be authorized immediately to continue program services without interruption, thereby preserving the public health, peace, property, safety and welfare; **NOW, THEREFORE**,
