The original organization was Easton Loop Apartments II, LLC and is desired to be changed to Columbus Housing Partnership, Inc. dba Homeport.

Easton Place Homes Phase II is a proposed 100-unit apartment development for families located at Easton Square Place and Charter Oak Way in Columbus, Ohio. The 4.65-acre parcel will be split to create lots on which approximately 200 units of affordable housing will be developed in three phases. Easton Place Homes Phase II is located directly south of the market rate townhomes facing Easton Way, which is the southern boundary of the premier retail/restaurant/entertainment district in Columbus. Major employers, such as JPMorgan Chase and Huntington Bank, employ thousands within walking distance-census data from 2018 indicates 24,000 jobs within a mile of the site-making this an extremely convenient location in all respects.

Easton Place Homes Phase II has secured Low Income Housing Tax Credits and OHFA HDAP funds, along with additional private loans and City HOME funds to fund this Phase's Total Development Cost of \$14,992,121. In addition to the City's Capital funds, Phase 2 has also secured 4% tax credits from OHFA in 2021, along with OHFA HDAP, and County HOME funds and other private loans. Due to the complex funding structure for the project, the desired development organization for the project is Columbus Housing Partnership, Inc. dba Homeport.

Emergency action is requested in order to maintain the project schedule.
