**Background:** This ordinance authorizes the Finance and Management Director to modify an existing Universal Term Contract (UTC) and to approve the re-purposing of previously legislated funds which were passed to establish purchase orders and additional funding for the acquisition of automobiles and light duty trucks for the Columbus Division of Fire and City of Columbus Division of Police. These purchase orders for the vehicle purchases will be issued from Universal Term Contracts (UTCs) that have been previously established by the City of Columbus Purchasing Office.

The contract PA004790 with George Byers Sons, Inc. for the purchase of Light Duty Trucks will be modified to allow for the purchase of sixteen (16) Ford Escapes at retail price. The contract currently only allows for the purchase of items at \$85 over triple net dealer invoice. The higher price for these items and the need to modify the existing UTC is caused by the international supply chain disruption, and high inflation. These issues were unforeseen at the time the contracts were solicited.

Purchase orders will be established with George Byers Sons Inc, (PA004790 & PA004948) for the acquisition of automobiles and light duty trucks and Ricart Properties Inc (PA004555) for the purchase of used Ford EcoSports.

George Byers Sons Inc, Vendor#006008, PA004790 & PA004948, expires 6/30/23 - (\$516,175.00)

Ricart Properties Inc, Vendor#004963, PA004555, expires 3/30/2023 - (\$497,677.00)

These vehicles are to be purchased as replacements for older, high mileage, and high maintenance vehicles currently in service and as such will reduce maintenance expenses, fuel consumption, and general upkeep costs.

Previously, Ordinance 2551-2021 authorized \$402,480.00 for the purchase of automobiles and light duty trucks for the Division of Police and ACPR002422 was created via this Ordinance. Ordinance 3504-2022 authorized \$605,386.00 in additional funds for the acquisition of automobiles and light duty trucks as well as used Ford EcoSports for use by the Divisions of Fire and Police and ACPR002421 was created via this ordinance. Due to complications and unforeseen supply line issues these orders were not filled. With the combination of these previously established funds that are currently held on ACPR002421 and ACPR002422 as well as \$5,976.00 in additional funding needed, these orders can be fulfilled and the 2021 Buy Plan completed.

These companies are not debarred according to the Federal excluded parties listing or prohibited from being awarded a contract to the Auditor of State unresolved findings for recovery certified search.

**Fiscal Impact:** This ordinance authorizes the combined expenditure of \$1,013,842.00 with George Byers Sons and Ricart Properties Inc for the acquisition of automobiles and light duty trucks for use by the Columbus Division of Fire and Columbus Division of Police. \$402,480.00 is available on previously established ACPR002422 which was legislated for use by Ord. 2551-2021 and \$605,386.00 is available on previously established ACPR002421 which was legislated by Ordinance 3504-2022 combined with an additional \$5,976.00 which will be expended from the Special Income Tax Fund for a total expenditure of \$1,013,842.00. \$7,200,000.00 was budgeted for the 2021 Citywide Vehicle Acquisitions.

**Emergency action** is requested due to market volatility of automobile manufactures and increased shortage of chips and other critical supply line parts to produce vehicles. It would be advantageous for the City to process these purchase orders as soon as possible in order to offset potential delays due to supply chain pressures.
