This ordinance authorizes the Director of the Department of Public Service to enter into contract with Nexstar Broadcasting, Inc. dba WCMH in support of the Cleaner Columbus Initiative.

Cleaner Columbus is beginning its community-wide education and marketing campaign on the importance of litter eradication and neighborhood beautification. Cleaner Columbus, in partnership with WCMH, will develop the wider message platform and resources to reach inclusive demographics within Columbus including a special focus on K-12 and opportunity neighborhoods. The high impact marketing and public education messaging will be developed for each targeted audience, including Columbus residents, neighborhood leaders, professional associations, businesses, and employee groups. City Council's goal is to incorporate its new Cleaner Columbus education, messaging, and mascot with Keep Columbus Beautiful's "Pick it Up" and design challenge and service credit programs.

The marketing campaign will be comprised of three (3) key marketing elements: Cleaner Columbus PSAs, recruitment of individual volunteers and recruitment of volunteers through businesses and organizations. The Public Service Announcements will serve as a key educational tool targeting the general public on how to properly dispose of waste and the impacts of not doing so. As well, recruitment efforts will encourage residents to get involved and volunteer in neighborhood litter pick-ups. Finally, the third elements will encourage local business and their employee groups to participate in Cleaner Columbus through direct hands-on clean-ups in targeted area neighborhoods. The overall education campaign elements will include, but not necessarily be limited to, millions of PSA impressions throughout 2023, social media, mobile advertisements, direct-to-consumer appearances.

**Bid Waiver:** The Department of Public Service is requesting a bid waiver to enter into contract with WCMH to create a media campaign in support of the Cleaner Columbus Initiative. A bid waiver for the formal bidding requirements of Chapter 329 of Columbus City Code is requested to enter into this contract so it can begin at the earliest possible time.

**Fiscal impact:** Funding is available within the Reimagine Safety subfund.

**Emergency action** is requested in order to avoid any delay in delivery of services to mitigate litter in Columbus.
