Council Variance Application CV22-100

APPLICANT: Steven Hicks, MGM Properties; c/o David Hodge, Atty.; 8000 Walton Parkway, Suite 260; New Albany, OH 43054.

PROPOSED USE: Ground floor residential uses within a mixed-use development.

WEST SCIOTO AREA COMMISSION RECOMMENDATION: ~~Disapproval~~ Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of one 5.20± acre parcel developed with a 58,501± square foot commercial shopping center zoned in the CPD, Commercial Planned Development District. The requested Council variance will permit the site to be redeveloped with a mixed-use development containing 235 apartment units, including ground floor residential units, and 1,829 square feet of commercial space. A Council variance is necessary because ground floor residential uses are not permitted in the CPD district. The site is located within the boundaries of the *Trabue/Roberts Area Plan* (2011), which recommends "Mixed-use (Community)" land uses at this location, and includes early adoption of the *Columbus Citywide Planning Policies* (C2P2) Design Guidelines (2018). The West Scioto Area Commission conditioned support on prohibiting northwest bound right turns at the intersection to the

west of the proposed Building B. The Department of Public Service is not supportive of establishing a regulatory sign that would prohibit right turns at this intersection where such a prohibition does not address a safety issue, therefore that condition has not been met. The requested variance will allow a mixed use development that is not considered to be an introduction of an incompatible use, and is consistent with the Plan's land use recommendation.

To grant a Variance from the provisions of Section 3361.02, Permitted uses; 3356.05(F)(1), C-4 district development limitations; and Section 3361.03, Development plan, for the property located at **3755-3799 RIDGE MILL DR. (43026)**, to permit ground floor residential uses as part of a mixed-use development in the CPD, Commercial Planned Development District (Council Variance #CV22-100).

WHEREAS, by application #CV22-100, the owner of property at **3755-3799 RIDGE MILL DR. (43026)**, is requesting a Council variance to permit a mixed-use development containing 235 apartment units, including ground floor residential units, and 1,829 square feet of commercial space in the CPD, Commercial Planned Development District; and

WHEREAS, Section 3361.02, Permitted uses, prohibits ground floor residential units, while the applicant proposes to redevelop the site with a mixed-use development containing ground floor residential units; and

WHEREAS, Section 3356.05(F)(1), C-4 district development limitations, requires that first-floor parking garages with dwelling units above must be connected/adjoined to commercial uses that occupy the entire length of at least one property frontage, while the applicant proposes adjoining commercial uses to occupy less than the entire length of the building's Ridge Mill Drive frontage; and

WHEREAS, Section 3361.03, Development plan, reports the overall concept of a proposed development, which for this property specifically permits all uses permitted in the C-1, C-2, C-3, C-4, and C-5, Commercial districts, none of which permit ground floor residential units, while the applicant proposes to redevelop the site with a mixed-use development containing ground floor residential units; and

WHEREAS, the West Scioto Area Commission recommends ~~disapproval~~ **approval**; and

WHEREAS, City Departments Recommend approval because the requested variance will allow a mixed-use development containing ground floor residential units that is not considered to be an introduction of an incompatible use, nor is it inconsistent with the "Mixed-use (Community)" land use recommendation of the *Trabue/Roberts Area Plan*; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed development; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **3755-3799 RIDGE MILL DR. (43026)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That a variance from the provisions of Section 3361.02, Permitted uses; 3356.05(F)(1), C-4 district development limitations; and Section 3361.03, Development plan, is hereby granted for the property located at **3755-3799 RIDGE MILL DR. (43026)**, insofar as said sections prohibit ground floor residential units in the CPD, Commercial

Any slight adjustments to the plans shall be subject to review and approval by the Director of the Department Building and Zoning Services, or a designee, upon submission of the appropriate data regarding the proposed adjustment.
