Renewal No. 1 amount	\$ 0.00	
Total contract amount	\$ 1,000.00	

Department of Development, Division of Planning solicited a vendor to perform transcription services. This service is used to create a written transcription of city Historic District Commission meetings from an audio file provided by the division. The transcription is used as a written record of a given meeting and serves the city in the instance that an appeal is made on the given commission's decision on a case.

The Department of Development advertised RFQ020455 on Vendor Services in November 2021 for these services. Five bids were received, and the Director of Development entered into contract with the lowest bidder under the authority of Columbus City Code Section 329.18. The original contract period is from the date of approval of the purchase order to February 28th, 2023, with an option to renew for one (1) additional year, starting March 1, 2023.

This legislation will extend the existing contract through February 28, 2024.

Emergency action is requested in order to continue to services without interruption.
