Background:

A boundary adjustment between the City of Columbus and the City of Worthington has been proposed. The site is on the west side of Sancus Boulevard, from the intersection at Lakeview Plaza Boulevard northward approximately 826 feet, and consists entirely of right of way. The proposed adjustment moves the City of Columbus corporate boundary slightly westward, to include the right of way. The transfer will place the entirety of the right of way along this span of Sancus Boulevard within the City of Columbus. This legislation is being filed in response to the provisions of the Ohio Revised Code - section 709.37 regarding municipal boundary adjustments. Parallel legislation has been submitted to Worthington City Council. Columbus approval will allow the adjustment proposal to be submitted to Franklin County for finalization.
