This ordinance authorizes the City Clerk to modify the term of an existing non-profit service agreement with Pro-Choice Ohio to examine the activities of crisis pregnancy centers. Funding for this agreement was established via Ordinance No. 2215-2022 passed on July 27, 2022. The current agreement expired on March 31, 2023. This modification will extend the grant terms until August 31, 2023. These funds will be used to conduct a study to determine if residents of the City of Columbus have access to medically accurate and legal reproductive health information. The provision of medically accurate and legal reproductive health information is necessary to make well-informed decisions about women's reproductive healthcare. These services cannot be provided by existing city employees as they require certain knowledge and expertise.
