BACKGROUND: This ordinance authorizes the appropriation and expenditure of up to \$500.00 of the 2023 Housing Opportunities for People with AIDS (HOPWA) entitlement grant from the U.S. Department of Housing and Urban Development and to modify a Subaward Not-for-Profit Service Contract with Faith Mission Inc., in an amount up to \$500.00, for grant administration expenses incurred in 2022 that were more than the 2022 contract amount.

Original Agreement	\$123,000.00	Ord. 3514-2022	PO361388
Modification No. 1	\$ 500.00		
Total	\$123,500.00		

Historically the HOPWA grant has been managed and administrated by Columbus Public Health (CPH). Starting with the 2022 grant year funds, the HOPWA grant is being managed and administered by the Department of Development (DOD), Division of Housing. In early 2022, CPH put forth Ordinance 0103-2022 to enter into an agreement with LSS Faith Mission to provide HOPWA services. That ordinance and agreement provided a portion of funds needed for the 2022 program year. The Department of Development put forth Ordinance 3514-2022 to provide funding for the remainder of the 2022 program year. During the transition from CPH to DOD, the amount of funding that the Faith Mission needed for 2022 was underestimated by \$500.00.

This legislation represents an appropriation for a part of the HOPWA portion of the 2023 Annual Action Plan, per Ordinance No. 3353-2022.

Contract Compliance: the vendor number is 011758 and expires 4/20/2023

Fiscal Impact: \$500.00 is available from the 2023 HOPWA Grant from HUD (G442203).

This ordinance authorizes the appropriation and expenditure of an amount not to exceed \$500.00 of the 2023 Housing Opportunities for People with AIDS (HOPWA) entitlement grant from the U.S. Department of Housing and Urban Development; authorizes the Director of the Department of Development to modify a Subaward Not-for-Profit Service Contract with LLS Faith Mission, Inc., in an amount not to exceed \$500.00, for grant administration services in program year 2022.
