This ordinance will authorize the Director of the Columbus Department of Recreation and Parks to enter into a one-year contract with the Columbus Urban League (CUL) for the amount of \$429,500.00; and authorize the transfer and appropriation of \$859,000 from the General Fund to the Recreation and Parks Operating Fund.

Background: This contract is necessary in order to provide violence interruption and crisis response activities that include responding to specific violent confrontations, working to mediate and diffuse conflict tensions, and actively promoting peace building among our youth. Contractor shall maintain a 24-hour, 7-day-a-week schedule to respond to calls regarding youth violence confrontations such as shootings, aggravated assaults, homicides, and other violent incidents.

The Contractor shall respond to incidents or conflicts that are within their assigned zone(s) or may impact their assigned zone(s). The Contractor shall also provide support services to victims' families and friends. Support services will be provided after making initial contact with victims' families and friends at the scene of an incident, hospital or at a time and location chosen by the victims' families and friends. Support services can also include Contractor attending funerals, vigils, peace marches, etc. Additionally, Community Intervention Workers shall participate in Neighborhood Violence Interruption (NVI) activities and initiatives focusing on reducing youth violence citywide and improving community collaborations to support the NVI initiative. The Columbus Urban League will hold a surety bond in the amount of \$100,000.00 and Certificate of Insurance as required by the City.

Principal Parties:

Columbus Urban League
788 Mt. Vernon Ave.
Columbus, Ohio 43203

(614) 257-6300

Contractor Federal ID #: 31-4379453

Areas Affected: The primary focus areas of Columbus Urban League will be east and south zones.

Emergency Justification: an emergency exists in the usual daily operation of the Department of Recreation and Parks in that the prior contract with CUL has expired and it is immediately necessary to authorize the Director to enter into contract with the Columbus Urban League so that the Neighborhood Violence Intervention Program can continue without interruption.

Bid Waiver Justification: A bid waiver is being requested in order to keep the consistency with the program participants and the vendor (interventionists). They have been working with the NVI program for several years; they know the program participants, the youth and young adults in the community and have established relationships with them. It is important to keep the continuity of these relationships and trust. A new vendor would have to come in and start from the very beginning to obtain this knowledge, understanding, and trust.

Fiscal Impact:

The amount of \$429,500.00 was budgeted for this project in the General Fund. The amount of \$859,000.00 must be transferred to the Recreation and Parks Operating Fund 2285 to properly align this and a related expenditure with the Department of Recreation and Parks, who will be managing the contracts with the Columbus Urban League and Community for New Direction for the Neighborhood Violence Intervention Program.

Benefits to the Public: Providing violence intervention and prevention strategies with a primary focus on 14-23 year-olds.

Community Input/Issues: Addressing need for increased positive youth engagement, development and mentorship to combat youth involved violence.

Master Plan Relation: Implementing strategies to vulnerable residents in targeted neighborhoods to ensure equal access to critical resources and opportunities for success for all.
