**BACKGROUND:** This legislation authorizes the Director of the Department of Development to execute grant agreements in an amount up to \$100,000.00 with Per Scholas Inc. and up to \$50,000.00 with Food Rescue US, both not for profit, social service agencies, for the provision of human services programming for a 12 month period from January 1, 2023, to December 31, 2023, as part of the Elevate 2.0! Program.

The Elevate 2.0! Program is a rebranding of the Department's Human Services Grant program due to COVID 19. Prior year investment strategies included: Income through Employment, Job Quality, Education and Training, Financial Capability, and Stabilization and Resource Support. COVID 19 significantly impacted not for profit organizations and the residents of Columbus. There was an increase in homelessness, housing instability, lost jobs, increase in violence, and increase in health issues. Not for profit agencies were challenged to address these needs as donations dropped off. To address these issues, the Department of Development will focus on supporting not for profit organizations providing human services programming in the following areas: Infant Vitality, Homelessness, Housing Stability, Finance Security, Workforce Development, Violence Elimination, Re entry, Neighborhood Building, and Chronic Disease Prevention. All of the focus areas are tied to Mayor Ginther's Equity Agenda/Opportunity Rising.

The Elevate! 2.0 NOFA (Notice of Funding Availability) was made available to local not for profit organizations from September 12, 2022, to October 3, 2022. The Department received 142 applications with requests for funding totaling \$14,050,000.00. Proposals were reviewed by a 24 member team. Sixty-six programs were selected for funding in 2023.

The awards are given with an anticipated renewal in FY2024 and FY 2025, pending availability of funds and program

performance per agreements with each agency.

This ordinance includes authorization for nine program areas with two agencies, with authorization for others agreements being submitted as separate pieces of legislation. Each will be a “grant agreement” with the agency because funding will be advanced to the agency on a predetermined schedule. Advancement of funds is needed because many of the organizations do not have funding available to be reimbursed for program expenses. The first advance will occur after confirmation of the Purchase Order. Before the second advance is made, the agency shall provide reports and documentation indicating how the funds were used to fulfill the scope of services in the grant agreement. This will continue throughout the term of the grant agreement. Additionally, some programs/grant agreements may include food and non alcoholic beverages for participants of the programs.

Emergency action is requested to reimburse for approved expenses incurred since January 1, 2023, to prevent each organization from experiencing a financial hardship.

**FISCAL IMPACT:** Funding for Per Scholas Inc. is allocated from the General Fund 2023 budget (Fund 1000), up to \$100,000.00. Funding for Food Rescue US is allocated from the Emergency Human Services 2023 budget (Fund 2231), up to \$50,000.00. Funds were budgeted in object class 03, but will be transferred to object class 05.

**CONTRACT COMPLIANCE:** Food Rescue US, 044966, and is pending renewal; Per Scholas Inc., 000233, expires 4/12/2025.
