**BACKGROUND:** This ordinance authorizes the Board of Health to enter into a contract with Gatehouse Media Partners, Inc. in the amount of \$125,000.00 for the contract period of May 22, 2023 to February 28, 2024. Their contract compliance number is CC-001259 . These services were advertised through Bonfire (RFQ024480) according to bidding requirements of the City Code.

Columbus Public Health has an immediate need for this contract to develop a culturally-informed, multi-media campaign that promotes violence reduction, continues the existing campaign for increased awareness on the impact of trauma, and promotes safe gun storage. An emphasis will be placed on targeted strategies to create measurable engagement, knowledge, awareness building, and behavioral change. The goals of this campaign are to create community awareness on the impact of gun violence, educate residents on the impact of trauma on individuals and communities, and highlight Trauma Informed Awareness Week (TIAW) and Gun Violence Awareness Month. This campaign will feature those with lived experience with violence, medical and mental health professionals, and others who can speak on the impact of violence and mental health needs within the community and share messages of impact, resiliency and community building.

Emergency action is requested because the existing campaign for increased awareness on the impact of trauma cannot continue without such funding.

**FISCAL IMPACT:** \$125,000.00 is budgeted in the Health Operating Fund for this Community Trauma and Safe Gun Storage contract.
