Council Variance Application: CV23-067

APPLICANT: Woda Cooper Companies, Inc.; c/o Dave Perry, Agent; David Perry Company, Inc.; 411 East Town Street, 1st Floor; Columbus, OH 43215; and Donald Plank, Atty.; Plank Law Firm; 411 East Town Street, 2nd Floor; Columbus, OH 43215.

PROPOSED USE: Multi-unit residential development.

NORTH CENTRAL AREA COMMISSION RECOMMENDATION: ~~Pending~~ **Disapproval.**

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of five parcels in the SR, Suburban Residential District, two of which are developed with single-unit dwellings. The requested Council variance will allow redevelopment of the site with a 76-unit apartment complex. A Council variance is necessary because the proposed use is not allowed in the SR district. Variances to reduce the building line and to utilize a perimeter yard as opposed to side and rear yards in the SR district are included in this request. This proposed development will be subject to a competitive funding process by the Ohio Housing Finance Agency (OHFA) which requires certain land attributes including compliant zoning. The site is within the planning area of the *North Central Plan* (2002), which recommends "Single-family

Residential” land use. The Council variance process is supported to assist in this state funding application process because the proposed multi-unit residential development will provide mixed-income affordable and workforce housing consistent with the City’s objectives. A rezoning application requesting an appropriate apartment residential district will be submitted and will be in the formal review process before the project can be submitted for final site compliance review.

To grant a Variance from the provisions of Sections 3332.033, SR suburban residential district; 3332.21(B), Building lines; and 3332.285, Perimeter yard, for the property located at **1456-1472 BRENTNELL AVE. (43219)**, to allow an apartment complex with reduced development standards in the SR, Suburban Residential District (Council Variance #CV23-067).

WHEREAS, by application #CV23-067, the owner of property at **1456-1472 BRENTNELL AVE. (43219)**, is requesting a Council variance to allow an apartment complex with reduced development standards in the SR, Suburban Residential District; and

WHEREAS, Section 3332.029, SR suburban residential district, prohibits multi-unit residential developments in said district, while the applicant proposes an apartment complex containing up to 76 units; and

WHEREAS, Section 3332.21(B), Building lines, requires the building setback line to be one-half of the designated right-of-way width of the frontage street as shown on the Columbus thoroughfare plan, while the applicant proposes a reduced building line from 40 feet to 20 feet along Brentnell; and

WHEREAS, Section 3332.285, Perimeter yard, requires a perimeter yard only for multiple dwelling developments in the R-4, Residential District, while the applicant proposes a perimeter yard for an apartment complex in the SR, Suburban Residential District as opposed to side and rear yards; and

WHEREAS, the North Central Area Commission recommendation is ~~pending~~ **for disapproval**; and

WHEREAS, City Departments recommend approval because the requested variance will help facilitate state funding requirements, and the proposed multi-unit residential development will provide mixed-income affordable and workforce housing consistent with the City’s objectives; and

WHEREAS, said ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed development; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1456-1472 BRENTNELL AVE. (43219)**, in using said property as desired; now, therefore:
