BACKGROUND: This ordinance authorizes the appropriation and expenditure of up to \$2,175,000.00 of grant funding from the U.S. Department of Housing and Urban Development (HUD), through the HOME Investment Partnerships Program, American Rescue Plan (HOME-ARP) and authorizes the Director of Development to execute a commitment letter, loan agreement, promissory note, mortgage, and restrictive covenant with Berwyn East Place Senior Housing Limited Partnership for the Berwyn East Place project.

Total City funding of the project is \$2,575,000.00. Of this amount, \$2,175,000.00 is found within this ordinance and establishes HOME -ARP funding for the Berwyn East Place. A subsequent ordinance will be put forth to City Council in an amount up to \$400,000.00 for the remaining HOME-ARP funding to provide supportive services for residents at this location over the course of four years.

National Church Residences (NCR) is the developer of Berwyn East Place. The HOME-ARP funds placed into this project will go directly to the limited partnership, Berwyn East Place Senior Housing Limited Partnership.

Berwyn East Place will be an innovative new “triple blend” service enriched, supportive housing model whereby rental subsidy, care coordination, as well as health and wellness services will be offered to the low-income senior residents. This innovative supportive housing model will in part target older adults having experienced long-term homelessness with a concurrent disabling condition in the form of advanced geriatric conditions. The program is intended to provide housing stability while also empowering residents to better manage chronic conditions, lessen reliance upon and divert usage of emergency medical services and institutional care, and even avoid premature death. Berwyn East Place will contain a total of eighty-eight (88) units. Of those eighty-eight units (88), the City’s contribution to this project will fund eleven (11) units. The units will be reserved for seniors with low income who can benefit from on-site services to best address the needs of those elderly that are frail and have advanced geriatric conditions complicated by homelessness and housing insecurity.

The proposed site for this senior housing community is 3341 East Livingston Avenue in Columbus, located near the intersection of Barnett Road and East Livingston Avenue. The site is located in close proximity to neighborhood services, shopping, public transportation, and healthcare services. Berwyn East Place will consist of one building with eighty-eight (88) one-bedroom apartment units. Each unit will have a separate kitchen, bathroom, living area, and bedroom. A percentage of the residential units will be designed to be 100% accessible and will be consistent with Section 504, Uniform Federal Accessibility Standards, Fair Housing and ADAAG. This community will also include dedicated staff office space, case management offices, and commons areas for social and wellness activities.

This legislation represents appropriation for a part of the HOME-ARP Allocation Plan portion of the City's 2021 HUD Annual Action Plan which was amended, per Ordinance 0459-2023.
