BACKGROUND: This ordinance authorizes the Board of Health to modify an existing contract with Life Sparx LTD dba The MORE Life Partnership for trauma services by extending the contract period from an end date of March 31, 2024 to a new end date of August 31, 2024.

This is the second modification to the original underlying contract authorized by Ordinance 0748-2022. The first modification to increase the original contract amount and extend the end date was authorized by Ordinance 0965-2023.

Life Sparx LTD is a nonprofit entity and is exempt from contract compliance certification.

Emergency action is being requested in order to approve this ordinance prior to the current contract end date of March 31, 2024 and allowing these essential trauma counseling and grief support services to continue uninterrupted for our most vulnerable communities.

FISCAL IMPACT: No new expenditures will be obligated by this ordinance. (\$0.00)
