Rezoning Application: Z23-048

APPLICANT: Good Nature; c/o Dave Perry, Agent; Dave Perry Co.; 411 East Town Street, Floor 1; Columbus, OH 43215 and Donald Plank, Atty.; Plank Law Firm; 411 East Town Street, Floor 2; Columbus, OH 43215.

PROPOSED USE: Limited manufacturing uses.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (5-0) on March 14, 2024.

SOUTHWEST AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of two parcels developed with limited manufacturing uses in the L-M-2, Limited Manufacturing District. The requested L-M-2, Limited Manufacturing District updates the allowed uses to include those uses involving insecticides, fungicides, disinfectants, and related industrial and household chemical compounds (blending only), and a residence for a security/watchperson. The site is located within the planning boundaries of the *Southwest Area Plan* (2009), which recommends “Low Density Residential” land uses at this location. Additionally, the Plan includes complete adoption of the *Columbus Citywide Planning Policies* (C2P2) Design Guidelines (2018). Staff supports the requested L-M-2 District, because although it is not consistent with the Plan’s recommendation, the property is currently zoned for limited manufacturing uses, with this request adding specific less-objectionable uses with minimal physical changes to the site. Additionally, the limitation text includes commitments demonstrating screening, buffering, and preservation of existing vegetation.

To rezone **2976 LAZAR RD. (43123)**, being 5.68± acres located on the east side of Lazar Road, 90± feet south of Tanis

Drive, **From:** L-M-2, Limited Manufacturing District, **To:** L-M-2, Limited Manufacturing District (Rezoning #Z23-048).

WHEREAS, application #Z23-048 is on file with the Department of Building and Zoning Services requesting rezoning of 5.68± acres from L-M-2, Limited Manufacturing District, to L-M-2, Limited Manufacturing District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the Southwest Area Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested L-M-2, Limited Manufacturing District includes appropriate commitments addressing preservation of existing vegetation, and screening and buffering to maintain the compatibility of this development with the surrounding residential uses; now, therefore:
