1. BACKGROUND

This ordinance authorizes the Director of Public Utilities to enter into a construction contract with K & W Roofing, Inc. for the Jackson Pike WWTP DC3 and DC4 Roof Replacement project, CIP #650234-100111, in an amount up to \$412,680.00, and to encumber funds with the Department of Public Service for prevailing wage services in an amount up to \$2,000.00, for a total expenditure of \$414,680.00.

This is a contract for the complete roof replacement of the Jackson Pipe WWTP West DC3 and DC4. The work consists of roof removal to the deck, partial roof deck repair, new roof system installation, reinstallation of lightning protection systems, and other such work as may be necessary to ensure that the building is watertight.

The Community Planning Area is 59 - Southwest.

TIMELINE: Contract work is required to be completed in a manner acceptable to the City within 230 days from the date that a Notice to Proceed (NTP) is given by the City.

ESTIMATED COST OF PROJECT: The bid amount and proposed award amount is \$412,680.00, including a 20% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Future Anticipated Needs	\$ 0.00

CONTRACT TOTAL	\$412,680.00

2. ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT

Roof replacement of a failed roofing system provides watertight environmental controls to the important process equipment and building components housed in the structure. Removal and replacement of the failed equipment, electronic and electrical components, would be a major impact to the budget. No community outreach or environmental factors are considered for this project.

3. BID INFORMATION

This project was formally advertised on the Vendor Services and Bid Express websites from 12/1/2023 through 1/17/2024. Four bids were received:

Name	Bid Amount	City/State	Status
JB Roofing	\$317,316.00	Columbus, OH	MAJ
General Maintenance & Engineering	\$411,000.00	Columbus, OH	MAJ
K & W Roofing, Inc.	\$412,680.00	Columbus, OH	WBE
Kalkreuth Roofing and Sheet Metal, Inc.	\$480,240.00	Lewis Center, OH	MAJ

The JB Roofing bid was deemed non-responsive due to not meeting the City MBE/WBE goal requirements. K & W Roofing, Inc. is a WBE firm and received a 5% discount incentive off their bid price, making them the lowest bidder. Their bid was evaluated and deemed the lowest, best, most responsive bid.

K & W Roofing, Inc.'s certification was in good standing at the time of the contract award.

4. CONTRACT COMPLIANCE INFORMATION

K & W Roofing, Inc.'s contract compliance number is CC005659 and expires 2/8/26.

5. MINORITY AND WOMAN OWNED BUSINESS ENTERPRISE & SMALL LOCAL BUSINESS ENTERPRISE PROGRAM

This contract was bid with an anticipated City of Columbus MBE/WBE Program goal of 15% as assigned by the City's Office of Diversity and Inclusion (ODI). After ODI's review of the Utilization Plan and Good Faith Effort submitted by JB Roofing, ODI deemed their bid non-responsive for not meeting the goal and for an insufficient Good Faith Effort.

K & W Roofing, Inc. is a WBE company and received a 5% discount incentive making them the next low bidder. They submitted a Utilization Plan meeting the 15% goal. After review of their Utilization Plan and other related information the contractor submitted with their bid response, ODI approved an MBE/WBE Program goal of 15% for this contract. Failure by the contractor to meet this goal subjects the contractor to the Penalties for Non-Compliance as described in the bid documents for this contract.

As part of their proposal, K & W Roofing, Inc., has proposed the following two subcontractors to perform contract work:

Company Name	City/State	ODI Certification Status
Roberts Service Group, Inc.	Columbus, Ohio	WBE
Maxwell Lightning Protection Company	Dayton, Ohio	MAJ

The certification of the above companies was in good standing at the time the bid was awarded.

6. PRE-QUALIFICATION STATUS

K & W Roofing, Inc. and all subcontractors have met code requirements with respect to pre-qualification, pursuant to relevant sections of Columbus City Code Chapter 329.
