The Transportation Division is responsible for maintaining the City's roadways. As a part of this activity, the City receives an annual allocation of funds from the County's \$5.00 Auto License Tax for maintenance and upgrade work that has been completed by the City on arterial streets within City limits that are the responsibility of the Franklin County Engineer. This allocation is based on motor vehicle registrations within Columbus limits. After receipt, these funds are deposited into the City's County Auto License Tax Fund (Fund 264) and are then subsequently transferred to the Street Construction Maintenance and Repair Fund (02-265 Fund) when the maintenance activity is actually completed.

This ordinance authorizes the movement of funds from fund 264 to fund 265 by internal bill. All funds necessary to carry out the purpose of this ordinance are deemed appropriated in an amount not to exceed cash received from Franklin County in 2008.

Fiscal Impact: Actual and anticipated receipts into the County Auto License Tax Fund are estimated to be sufficient to support this appropriation and give Transportation the ability to invoice for time and material work done on arterial streets owned by Franklin County, and to meet revenue projections of the Street Construction Maintenance and Repair Fund which supports the Transportation Division.

Emergency action is requested in order to provide for this appropriation action taking effect immediately to promote efficient accounting practices and maintain prudent cash flow to division operating funds.

To authorize appropriation of funds within the County Auto License Tax Fund; to authorize the Public Service Director to expend said monies or so much thereof as may be needed for Franklin County Engineer-approved roadway construction and maintenance projects undertaken by the Transportation Division; and to declare an emergency.

WHEREAS, the Transportation Division is responsible for maintaining the City's roadways; and

WHEREAS, the City receives an annual allocation of funds from the County's \$5.00 Auto License Tax for Franklin County Engineer-approved projects completed by the City on arterial streets within City limits; and

WHEREAS, these funds are deposited into the City's County Auto License Tax Fund and are used to reimburse costs incurred by the Transportation Division within other Funds; and

WHEREAS, an emergency exists in the usual daily operation of the Transportation Division, Public Service Department, in that an appropriation of funds is immediately necessary to allow these monies to be used for said purposes and to promote and reinforce efficient accounting practices and maintain prudent cash flow to division operating funds, thereby preserving the public health, peace, property, safety and welfare; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That from the unappropriated balance of the County Auto License Tax Fund, Fund 264, and from all monies estimated to come into said fund from any and all sources and unappropriated for any other purpose during the fiscal year ending December 31, 2008, these funds are hereby authorized to be moved to fund 265 by internal billing.

SECTION 2. That all funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated in an amount not to exceed funds received from Franklin County in 2008.

SECTION 3. That the monies appropriated in Section 2 shall be paid upon order of the Public Service Director and that no order shall be drawn or money paid except by voucher, the form of which shall be approved by the City Auditor.

SECTION 4. That the Public Service Director be and hereby is authorized to expend these monies or so much thereof as may be needed to pay internal billings for Franklin County Engineer-approved roadway construction and maintenance projects undertaken by the Transportation Division in and for the City of Columbus.

SECTION 5. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.
