File #: 0977-2008, Version: 1

BACKGROUND: An annexation petition for 11.476 acres in Jackson Township (AN08-004) was filed with Franklin County on February 28, 2008. City Council approved a service ordinance for this site on March 10, 2008. The Franklin County Commissioners approved the annexation on April 1, 2008. More than 60 days have elapsed since April 18, 2008, when the transcript of proceedings approving the annexation was received by the City Clerk. This timeframe is required by the Ohio Revised Code. City Council's acceptance of the annexation is the final legislative step in the annexation process.

These are submitted in accordance with the Ohio Revised Code.

FISCAL IMPACT: Provision of municipal services for a proposed annexation area has no fiscal impact. However, provision of the stated services does represent cost to the city. The annexation of land also has the potential to create revenue to the city.
