### 1. BACKGROUND

This ordinance requests Columbus City Council to authorize the Director of Public Service to write off the debts owed to the Division of Planning & Operations, formerly Transportation Division, for uncollectible traffic maintenance accounts, as follows:

| <u>ACCOUNT NO.</u> | <u>CLIENT</u>   | <u>SERVICE</u>    | <u>AMOUNT</u> |
|--------------------|---|-------------------|---------------|
| AR000645-001       | Unknown   | Traffic Repair    | \$20,047.13   |
| AR000646-001       | Lea Dickerson   | Traffic Repair    | \$22,577.44   |
| AR000578-001       | <del>Athletic Club of Columbus</del> <b>Various Locations</b> | Loading Zone Fees | \$28,656.18   |

#### AR000645-001

It has been determined that the client and exact date of service is unknown. The invoice was posted on September 15<sup>th</sup>, 1999 but no money has been received to date. In 2008, the City Auditor's Office reorganized this particular invoice with an unknown payee. The Department of Public Service is past its statute of limitations for collecting on this account. Therefore, the Department of Public Service is requesting that this account be written off as uncollectible.

#### AR000646-001

These charges were accrued for traffic repair services from January 21, 2000 to May 31<sup>st</sup>, 2000. Repairs were required after client was cited for an accident on January 21, 1999. Invoice was posted on August 1<sup>st</sup>, 2000 but no money has been received to date. The Department of Public Service is past its statute of limitations for collecting against this account. Therefore, the Department of Public Service is requesting that this account be written off as uncollectible.

#### AR000578-001

These charges were accrued against ~~the Athletic Club of Columbus~~ **various locations** for loading zone fees **for a total amount of \$107,151.83**, from 2004 to 2007. However, ~~whose~~ **whose** original invoice date for this account according to the City Auditor's Office was August 19, 2004. **Due to the length of time and the difficulty to recreate records**, This does not match the Department of Public Service's invoice database date of November 22, 2006. According to the Department of Public Service's invoice database, this account was originally for only \$5,580.00 and paid in full January 11, 2007. The original account has not been paid upon since December of 2004; it has been determined this account was created in error. Therefore, the Department of Public Service is requesting that **the remaining amount of** this account be written off as uncollectible.

### 2. FISCAL IMPACT

Formally writing off this debt as uncollectible officially recognizes that the City will forego this revenue. This step is prudent to maintaining accurate, timely and realistic accounting records. Therefore, the Department of Public Service is requesting that these accounts be written off as uncollectible.
