1. BACKGROUND

The Division of Refuse Collection utilizes 300 gallon containers in its mechanized collection system. Columbus collects the refuse from over 45,000 single family residences with 300 gallon containers that are placed in our alleys at a ratio of one container for every two to three residences. The Division also requires replacement parts for containers that are not covered by warranties. This legislation authorizes the Director of Finance and Management to establish a purchase order for the purchase of 300 gallon refuse containers and container parts for the Division of Refuse Collection per the terms and conditions of contract FL005347 with Rotational Molding, Inc. expiring March 31, 2015 (SA004563).

The total expenditure authorized within this ordinance is \$686,063.00 for the purchase of 300 gallon containers and miscellaneous parts, including lids, for these containers.
