**BACKGROUND:** The City of Columbus, Department of Development, Land Redevelopment Office owns eight (8) parcels of real property located adjacent to, or near, either city parks owned by the City's Department of Recreation and Parks, or undeveloped areas of open space. Four (4) parcels adjoin Krumm Park. The City acquired all of them in November of 1994. One parcel was acquired in July 2013 and sits across the street from Roosevelt Park. One parcel, acquired in April 2014, adjoins Hanford Village Park. Finally, two (2) parcels acquired in December 2001 adjoin a wooded area along Blacklick Creek. There are no pending applications to purchase any of the eight lots. Most of the lots are wooded and can blend into the existing park lands and green space. Accordingly, the Land Redevelopment Office and the Department of Recreation and Parks wish to transfer the maintenance responsibilities for the parcels from the Land Redevelopment Office to the Department of Recreation and Parks. Transfer of the maintenance responsibilities for this property will allow for expansion of and improvements to the parks, and will make more efficient use of city resources.

The parcels adjacent to Krumm Park are identified as Franklin County Parcel Numbers:
