BACKGROUND

This legislation is to authorize the Director of the Department of Technology (DoT) to continue a software maintenance and support agreement with Lytrod Software, Inc. The original agreement (associated with purchase order EE004330) was established August 1, 2007 and provided software maintenance and support through December 31, 2007. Lytrod is the sole source provider of maintenance and support for its software, so this ordinance is being submitted in accordance with the provisions of Sole Source procurement of the City of Columbus Code, Chapter 329.
