BACKGROUND:

This ordinance authorizes the Director of the Department of Technology to establish year two (2) of a three (3) year contract agreement with SHI International Corporation, for Dell Change Auditor software subscription renewal. The original contract (via SA005601 authorized by Ord. 2483-2014 passed on November 24, 2014) allowed for the agreement to be annually extended for two (2) additional years subject to mutual agreement and approval of proper City authorities. This ordinance represents the first of two allowable annual extensions. DoT uses Dell software to audit changes in the City's technology environment, ensuring that the environment is secure. The proposed agreement will provide software subscriptions for the period January 1, 2016 through December 31, 2016, at a cost of \$46,316.49.

FISCAL IMPACT:

In 2014 the Department of Technology expended \$49,735.34 respectively for Dell software subscription renewal. The cost for this contract for Dell software subscription renewal is \$46,316.49, bringing the aggregate contract total amount to \$96,051.83. This expenditure is budgeted and available within the Department of Technology, Information Services Division, Internal Services Fund.

CONTRACT COMPLIANCE:

Vendor: SHI International Corporation C.C.#: 22 - 3009648 Expiration Date: 09/01/2017

To authorize the Director of the Department of Technology to modify the contract with SHI International Corp (SHI) in order to establish year two of a three year contract for Dell Change Auditor software subscription renewal; and to authorize the expenditure of \$46,316.49 from the Department of Technology, Information Services Division, Internal Services Fund. (\$46,316.49)

WHEREAS, this legislation authorizes the Director of the Department of Technology to modify the contract with SHI International Corp. (SHI) in order to establish year two (2) of a three (3) year contract for Dell Change Auditor software subscription renewal to use in the City's technology environment, ensuring that the environment is secure; and
