Ordinance number 0650-2016, approved by City Council on March 21, 2016, authorized the Board of Health to enter into a contract with Equitas Health, formerly AIDS Resource Center Ohio Medical Center, in the amount of \$764,713.00 for outpatient ambulatory and medical case management services to assure quality medical care to eligible persons living with HIV or AIDS in central Ohio (Franklin, Licking, Delaware, Morrow, Union, Madison, Pickaway and Fairfield counties) for the contract period of March 1, 2016 through February 28, 2017.

In 2015 The Ryan White Part A program for the Central Ohio area served nearly 2,400 people living with HIV through several programs including outpatient/ambulatory medical care, mental health services, medical case management, early intervention services, housing services, non-medical case management, emergency financial assistance and medical transportation.

This ordinance is needed to modify and increase contract PO006595 in the amount of \$191,178.00 for the total contract amount not to exceed \$955,891.00 with Equitas Health.

This modification will provide additional funding for Equitas Health for the provision of outpatient ambulatory and medical case management services. These services were advertised through vendor services (SA005686) in December, 2014 according to bidding requirements of the City Code.

This modification is necessary because the supplemental grant award was not known until the end of May, making it necessary to add additional funding in a later ordinance. The modification amount was determined based on negotiations with the vendor and data from the previous year.

The contract compliance number information is as follows:  
Equitas Health, 004721, and expires 2/17/18.

Emergency action is requested to provide for this contract modification in order to ensure timely payments to the contractor.

**FISCAL IMPACT:** The funds needed to modify and increase this contract with Equitas Health are budgeted within the Health Department Grants Fund.

To authorize and direct the Board of Health to modify and increase an existing contract for outpatient ambulatory and medical case management services with Equitas Health; to authorize the expenditure of \$191,178.00 from the Health Department Grants Fund; and to declare an emergency. (\$191,178.00)

**WHEREAS**, \$191,178.00 in additional funds are needed for the continued provision of outpatient ambulatory and medical case management services for Equitas Health; and,

**WHEREAS**, it is necessary to modify and increase contract PO006595 with Equitas Health for these services; and,

**WHEREAS**, this ordinance is being submitted as an emergency measure so that timely payment for HIV Care services can proceed without interruption; and
