Background: This ordinance authorizes the City Auditor to set up a certificate in the amount of \$50,000.00 for various expenditures for labor, material and equipment in conjunction with Recreation and Parks existing golf course improvements. These are unanticipated expenditures that may include, but are not limited to, items such as landscaping, surveys, design, administrative fees, concrete, asphalt, equipment improvements, etc. Contracts will be entered into in compliance with the procurement provisions of Columbus City Code Chapter 329.

Emergency Justification: Emergency action is requested to ensure that needed improvements are not delayed, keeping the impact on golf customers to a minimum and allowing safety issues that arise to be addressed in a timely manner. It is important to have this funding available to address unanticipated golf course improvement needs when they arise.

Benefits to the Public: Having this funding in place for unanticipated needs as they arise will benefit the community by helping to ensure that golf courses and related facilities remain safe, accessible, updated, and user friendly. This funding will also keep the impact on golf customers to a minimum when unforeseen issues arise.

Community Input Issues: Many issues that this funding helps to address come straight from the community, through direct contact with the golf customers. The golf community has expressed the desire for well-kept and updated golf courses and facilities. Golf customers expect the courses and facilities to be in good condition.

Area(s) Affected: The entire City of Columbus is affected by having the funding in place to act efficiently on issues that arise on our golf courses and related facilities.

Master Plan Relation: This project will support the mission of the Recreation and Parks Master Plan by helping to ensure that golf courses and facilities remain safe, updated, user friendly, and well maintained.

Fiscal Impact: \$50,000.00 is required and budgeted in the Voted Recreation and Parks Bond Fund to meet the financial obligations of these various expenditures.
