BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into grant agreements with various social service agencies throughout Central Ohio for the provision of services for a twelve-month period. The total amount of these grants is \$3,810,939.00.

This is the fourth year extension for the original three year competitive grant award process. This process is put in place to achieve the following objective: to support goal oriented, outcome based, social service programs and activities that will address critical needs in the Columbus community through a competitive process that enables new, successful, and targeted programs to be funded.

Programs include, but are not limited to: day care, substance abuse prevention programs, refugee and resettlement programs, senior care, mediation services, services for the disabled, material assistance and food programs, workforce development, youth programs, and other services. This funding will allow the continuation of much needed services.

Emergency action is necessary to avoid causing interruptions in the delivery of program services.
