**BACKGROUND:** Chapter 1710 of the Ohio Revised Code allows property owners to petition the municipal corporation within which their property is located to include the property in an energy special improvement district, the purpose of which is to provide “special energy improvement projects,” as defined in Section 1710.01 of the Ohio Revised Code. Section 1710.02(F) of the Ohio Revised Code also allows such property owners to submit an initial plan of services for approval with the petition. Upon receipt of a petition and an initial plan submitted by the owners 100% of the properties requesting to be included in the energy special improvement district, the municipal corporation may approve the petition, cause the addition of the property to the energy special improvement district, and proceed to levy special assessments to pay the costs of the special energy improvement projects to be completed pursuant to the petition and the initial plan.

On November 23, 2015, the Council passed Resolution No. 0261X-2015, which approved a petition, program plan, and the articles of incorporation for the Columbus Regional Energy Special Improvement District (the “District”), and created the District.

Section 1710.06 of the Ohio Revised Code allows the District to cooperate with additional owners of real property within a municipal corporation which has created an energy special improvement district to submit to the municipal corporation petitions and supplemental plans, which supplement the program plan. Upon its receipt of a petition and supplemental plan signed by the owners of 100% of the properties requesting to be added to the energy special improvement district, the municipal corporation may approve the petition and supplemental plan and proceed to levy special assessments to pay the costs of the special energy improvement projects to be completed pursuant to the petition and the supplemental plan.

Let the Good Times Roll, LLC, as the owner, for the purposes of Ohio Revised Code Section 1710.02(E), of a certain parcel of real property within the City of Columbus (with the commonly used mailing address 3255 McKinley Avenue, Columbus, Ohio), and Belmont House LLC (as the successor to Let the Good Times Roll, LLC) (together, the “Owner”) has submitted a petition and supplemental plan to the Council, requesting that the Council approve the petition and supplemental plan, cause the addition of such parcel of real property to the Columbus Regional Energy Special Improvement District, and levy special assessments on such property to pay the costs of the special energy improvement projects to be provided on its property.

The Owner is working in cooperation with Greenworks Lending LLC to obtain financing secured by the special assessments requested in the petition and supplemental plan, the proceeds of which financing will be used to pay the costs of the special energy improvement projects described in the petition and supplemental plan.

This legislation is to approve the petition, the supplemental plan, and the addition of property to the district and to declare the necessity of levying special assessments to pay the costs of “special energy improvement projects” set forth in the supplemental plans, all pursuant to Chapters 727 and 1710 of the Ohio Revised Code.

Emergency action is requested on this legislation to allow the Columbus Regional Energy Special Improvement District to be expanded, the special assessments to be levied in a timely manner in order to facilitate financing for the project by Greenworks Lending LLC, the special assessment process to proceed in a timely manner, and allow financing for the special energy improvement projects to be obtained by the District.
