1. BACKGROUND

This legislation authorizes the appropriation and expenditure of funds to support the performance of construction administration and inspection services relative to the completion of the SR 315 at North Broadway - OhioHealth Parkway project.

Administered by OhioHealth Corporation (OhioHealth), the aforementioned project encompasses widening, reconstructing, and extending an existing public street to West North Broadway. Ordinance 0780-2018 authorized the Department of Public Service to enter into a Construction Guaranteed Maximum Reimbursement Agreement with OhioHealth for this project. The Department of Public Service will be performing construction administration and inspection services relative to that effort. The purpose of this legislation is to provide the requisite funding for those services.

2. FISCAL IMPACT

Funding in the amount of \$147,100.86 is available for this expenditure in the Streets and Highways Bond Fund. An amendment of the 2018 Capital Improvement Budget is necessary to establish sufficient budget authority for this project.

3. EMERGENCY DESIGNATION

Emergency action is requested so as to prevent unnecessary delays in the completion of the aforementioned project.

To amend the 2018 Capital Improvement Budget; to authorize the expenditure of \$147,100.86 from the Streets and Highways Bond Fund to pay construction administration and inspection expenses for the SR 315 at North Broadway - OhioHealth Parkway project; and to declare an emergency. (\$147,100.86)
