The Director of Public Utilities entered into a contract with ms consultants, inc. for Floodplain Review Assistance Services for the Division of Sewerage and Drainage, Stormwater Section. This contract was the result of a Director's Bid received on September 18, 2015. ms consultants, inc. was the only proposal received and meet all requirements of the specifications. The original contract was for a period of one year with two (2) one year renewal options on a year to year basis upon mutual agreement, availability of funding and Columbus City Council approval. The Division of Sewerage and Drainage, Storm Section has utilized the second extension option. This is the 3rd year of a three (3) year contract. The contract has been previously extended through March 31, 2019.

As part of this contract, the vendor will provide the Department of Public Utilities, Division of Sewerage and Drainage, Stormwater Section with:

- Experience in reviewing hydrologic and hydraulic floodplain studies and analysis,
- Preparing technical reports including a summary of study findings and recommendations based on the technical review;
- Field surveying such as staking the 100-year floodplain, floodway and Stream Corridor Protection Zone SCPZ;
- Field surveying such as staking to show where Letter of Map Revisions (LOMR) areas are in the field,
- Preparation of site plans to show the areas and amounts of fill and disturbance in both the 100-year floodplain and/or SCPZ;
- Preparation of technical memorandums; and
- Provision of community interaction services associated with floodplain studies.

A new project within the contract will be for ms consultants, inc. to review the Burgess & Niple HEC-RAS study for the Olentangy-Bethel Connector project and for the cost to review an Arcadis HEC-RAS project of 400 bags of grout in the floodway.

SUPPLIER: ms consultants, inc. (34-6546916), Expires March 31, 2019
ms consultants, inc. does not hold MBE/FBE status.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

1. Amount of additional funds: Total amount of additional funds needed for this contract modification No. 3 is \$25,000.00. Total contract amount including this modification is \$75,000.00.
2. Reasons additional funds were not foreseen: The need for additional funds was known at the time of the initial contract. This legislation is to encumber the funds budgeted for fiscal year 2018 for the Division of Sewerage and Drainage, Storm Section.
