File #: 0881-2019, Version: 1

1. BACKGROUND: The Ohio EPA requires this legislation which authorizes the Director of Public Utilities to apply for and execute a Water Pollution Control Loan Fund (WPCLF) loan agreement totaling approximately \$990,000.00 for construction of the Hayden Run Aerial Sewer Improvements Project as identified in Section 1., under the direction of the Division of Sewerage and Drainage (DOSD). The WPCLF loan program is jointly administered by the Ohio EPA's Division of Environmental and Financial Assistance, and the Ohio Water Development Authority (OWDA). The WPCLF program provides below-market interest rate loans for municipal water and wastewater system improvements.

Ordinance 2551-2018 was passed October 8, 2018 authorizing the Director to enter into a WPCLF Loan Agreement for this project, however, the project cost estimate has since been revised and the "not to exceed" amount originally designated at \$774,000.00 is now \$990,000.00. For this reason Council's authorization is needed in order to proceed with the financing at an amount not to exceed \$990,000.00.

2. FISCAL IMPACT: This loan will be paid off over a 20-year period from Sanitary System rates (dedicated source of repayment). Sanitary System rate increases have been projected and planned in anticipation of this project and loan.

To authorize the Director of Public Utilities to apply for, accept, and enter into a Water Pollution Control Loan Fund (WPCLF) Loan Agreement with the Ohio Water Development Authority and the Ohio Environmental Protection Agency for the financing of the Hayden Run Aerial Sewer Improvements Project for the Division of Sewerage and Drainage (DOSD); and to designate a dedicated source of repayment for the loan.

WHEREAS, in 2019 the Department of Public Utilities is scheduled to prepare a loan application for up to \$990,000.00 in financing, for submittal to the Ohio EPA under the Water Pollution Control Loan Fund (WPCLF) program to finance, through a below-market interest rate loan, the construction of the Hayden Run Aerial Sewer Improvements Project under the direction of the Division of Sewerage and Drainage, which said financial assistance may be of help in reducing total project costs to the City's Sanitary Sewer customers; and

WHEREAS, prior to WPCLF loan agreement approval by the Ohio Water Development Authority, the WPCLF loan application and loan agreement documents require the City to submit to the Ohio EPA a certified copy of approved City Council legislation authorizing the Director of the Public Utilities Department to apply for and subsequently execute said WPCLF Agreement, and to authorize a dedicated source of loan repayment for the loan; and

WHEREAS, it has become necessary in the usual daily operation of the Department of Public Utilities to authorize the Director to execute the agreement so that this legislation is approved and a certified copy can be submitted to the Ohio EPA prior to the OWDA Board's consideration for approval as part of the loan application and loan agreement approval process; Now Therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
