1. BACKGROUND

The proposed name, “Brighton Rose Way”, conforms to the Division’s current street naming convention and has been reserved until such time that this request has been completed, or denied. The Division of Infrastructure Management has obtained concurrence from adjoining property and business owners whose current addresses might be affected by this street renaming. The Division of Infrastructure Management has circulated concurrent notification to the City’s Historic Preservation Office and Divisions of Fire, Police, Refuse, Street Maintenance, and Infrastructure Management without objection. MORSO Holding Company has satisfactorily completed all of the requirements for renaming of a city street and has agreed to remove existing street name signs and install new signs reflecting said street name at their own cost.
