1. BACKGROUND: This legislation authorizes the Director of Public Utilities to enter into a construction contract with Granite Inliner, LLC for the 2018 Annual Lining Project, CIP 650404-100045. This contract will address projects throughout the service area as sewer line issues arise. This project has been approved for below market-rate loan financing through the Ohio Environmental Protection Agency's Water Pollution Control Loan Fund (WPCLF) which is administered by the Ohio Water Development Authority (OWDA). Ordinance 2219-2016, passed September 26, 2016, authorizes the Director of Public Utilities to enter into a WPCLF Loan for the project. The project's assigned WPCLF Number is CS390274-0270.
