**Background:** This ordinance authorizes the City Auditor to set up a certificate in the amount of \$50,000.00 for various expenditures for labor, material and equipment in conjunction with Recreation and Parks existing golf course improvements. These are unanticipated expenditures that may include, but are not limited to, items such as landscaping, surveys, design, administrative fees, hard surfaces, equipment improvements, signage, emergency repairs, and staff time. Contracts will be entered into in compliance with the procurement provisions of Columbus City Code Chapter 329.

**Emergency Justification:** Emergency action is requested to ensure that needed improvements are not delayed, keeping the impact on golf customers to a minimum and allowing safety issues that arise to be addressed in a timely manner. It is important to have this funding available to address unanticipated golf course improvement needs when they arise.

**Benefits to the Public:** Having this funding in place for unanticipated needs as they arise will benefit the community by helping to ensure that golf courses and related facilities remain safe, accessible, updated, and user friendly. This funding will also keep the impact on golf customers to a minimum when unforeseen issues arise.

**Community Input Issues:** Many issues that this funding helps to address come straight from the community, through 311 and direct contact with the department. The golf community has expressed the desire for well-kept and updated golf courses and facilities. Golf customers expect the courses and facilities to be in good condition.

**Area(s) Affected:** The entire City of Columbus is affected by having the funding in place to act efficiently on issues that arise on our golf courses and related facilities.

**Master Plan Relation:** This project will support the mission of the Recreation and Parks Master Plan by helping to ensure that golf courses and facilities remain accessible, safe, updated, user friendly, and well maintained.

**Fiscal Impact:** \$50,000.00 is budgeted and available from and within the Recreation and Parks Voted Bond Fund 7712 to meet the financial obligations of these various expenditures. Funding is contingent on the deposit of the proceeds from the 2019 Bond Sale.

To authorize and direct the City Auditor to set up a certificate in the amount of \$50,000.00 for various expenditures for labor, material, and equipment in conjunction with golf course improvements within the Recreation and Parks Department; and to authorize the expenditure of \$50,000.00 from the Recreation and Parks Voted Bond Fund; and to declare an emergency. (\$50,000.00)

**WHEREAS,** it is necessary that the City Auditor set up a certificate in the amount of \$50,000.00 for labor, material and equipment in conjunction with golf course improvements within the Recreation and Parks Department; and

**WHEREAS,** funding is available for these improvements from the Recreation and Parks Voted Bond Fund; and

**WHEREAS,** an emergency exists in the usual daily operation of the Recreation and Parks Department in that it is immediately necessary to establish this auditor certificate from the Recreation and Parks Voted Bond Fund so that needed improvements and expenditures are not delayed, thereby preserving the public health, peace, property, safety, and welfare;  
**NOW, THEREFORE**

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**
