

Legislation Text

File #: 2725-2019, **Version:** 1

1. BACKGROUND

The Department of Public Service employs personnel that engages in traffic sign and signal installation, permanent pavement marking application, engineering, roadway improvement, and design and construction. Project costs incurred by the operating fund are salaries, overhead, overtime, materials and other direct costs. The division budgets the personnel and additional costs within the division's operating fund, the Street Construction, Maintenance, and Repair Fund (Fund 2265). These costs are capital eligible and doing so is consistent with earlier efforts by the division to reimburse its operating fund when the operating fund incurred expenses more appropriate to capital improvement funding.

This ordinance authorizes the expenditure of \$2,550,000.00 or so much thereof as may be necessary for this purpose.

2. FISCAL IMPACT

Funding for this expenditure is budgeted and available within the Streets and Highways G.O. Bond Fund (Fund 7704).

3. EMERGENCY DESIGNATION

The division requests emergency action designation to allow the reimbursement of these operating expenses at the earliest possible time to provide adequate operating resources for the Street Construction, Maintenance, and Repair Fund.

To authorize the Director of Public Service to expend \$2,550,000.00 or so much thereof as may be necessary to reimburse the Street Construction, Maintenance, and Repair Fund (Fund 2265); and to declare an emergency. (\$2,550,000.00)

WHEREAS, the Department of Public Service employs personnel that engage in traffic sign and signal installation, permanent pavement marking application, engineering, roadway improvement, and design and construction activities and incurs various salary and material expenses within its operating fund associated with capital projects; and

WHEREAS, these costs can be capitalized; and

WHEREAS, the 2019 revenue estimate for the Street Construction, Maintenance, and Repair Fund reflects and assumes this revenue; and

WHEREAS, it is necessary to authorize this expenditure to provide adequate operating resources; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service in that it is immediately necessary to authorize reimbursement to the Street Construction Maintenance and Repair Fund at the earliest possible time and make this fund whole, thereby preserving the public health, peace, property, safety, and welfare; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Service be and hereby is authorized to expend \$2,550,000.00 or so much thereof as may be necessary from the Streets and Highway G.O. Bonds Fund (Fund 7704), to reimburse the Street Construction, Maintenance, and Repair Fund (Fund 2265), for traffic sign and signal installation, permanent pavement marking, engineering, roadway improvement, design and construction expenses, salaries, overhead, overtime, materials, and other direct cost expenses incurred in connection with the capital improvements program per the accounting codes attached.

SECTION 2. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 3. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 4. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 5. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.
