File #: 0140-2020, Version: 1

1. BACKGROUND

The City of Columbus, Department of Public Service, received a request from James Maniace with Taft Stettinius & Hollister LLP on behalf of the property owner, Hayden Columbus, LLC c/o Paradigm Properties, asking that the City allow a fire escape to encroach into the public right-of-way for their project located at the rear of 20 East Broad Street. This project is known as the Hayden and the renovation of this historical building needs to meet modern codes. The encroachment will consist of a fire escape at the rear of the building that will protrude into the public right-of-way as described below and shown on the attached exhibit. The following legislation authorizes the Director of the Department of Public Service to execute those documents necessary for the City to grant this encroachment to legally allow the fire escape to extend into the public rights-of-way. Installation of this building element will meet code requirements and provide safety to the tenants. A value of \$500.00 for the encroachment easement was established.

2. FISCAL IMPACT

The City will receive a total of \$500.00 to be deposited in Fund 7748, Project P537650, for granting the requested encroachment.

To authorize the Director of the Department of Public Service to execute those documents necessary for the City to grant an encroachment within the public right-of-way for a fire escape to Hayden Columbus LLC for the Hayden project located at the rear of 20 East Broad Street. (\$0.00)
