Council Variance Application CV19-134

APPLICANT: Northstar Realty; c/o Jackson B. Reynolds, III, Attorney; Smith & Hale LLC; 37 West Broad Street, Suite 460; Columbus, OH 43215.

PROPOSED USE: Single-unit dwelling.

GERMAN VILLAGE COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is currently developed with a multi-tenant commercial building zoned in the C-4, Commercial District and R-2F, Residential District. The requested Council variance will allow a portion of the building zoned in the C-4, Commercial District to be converted to a single-unit dwelling. The structure was originally constructed as a single-unit dwelling and was converted to an office use when it was connected to the adjacent structure to the east by a building addition. The variance is necessary because single-unit dwellings are not permitted in the C-4, Commercial District. Staff supports the proposal given the mixed-use nature of this historic neighborhood and because the structure will be restored to its original residential purpose. The request will not add an incompatible use to the neighborhood.

To grant a Variance from the provisions of Section 3356.03, C-4 Commercial District, for the property located at **393 E. LIVINGSTON AVE. (43215)**, to permit a single unit dwelling in the C-4, Commercial District (Council Variance #CV19-134).

WHEREAS, by application #CV19-134, the owner of property at **393 E. LIVINGSTON AVE. (43215)**, is requesting a Council variance to permit the conversion of an office to a single-unit dwelling in the C-4, Commercial District; and

WHEREAS, Section 3356.05, C-4, Commercial District, does not permit a single-unit dwelling and allows residential uses only when above certain commercial uses, while the applicant proposes to convert an office that was originally constructed as a dwelling back to a single-unit dwelling; and

WHEREAS, the German Village Commission recommends approval; and

WHEREAS, the City Departments recommend approval of the proposal to convert an office to a single-unit dwelling given the mixed-use nature of this historic neighborhood, and because the structure will be restored to its original residential purpose. The request will not add incompatible uses to the neighborhood.

WHEREAS, said ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to the adjacent property, unreasonably increase the congestion of public streets, increase the danger of fires, endanger the public safety,

unreasonably diminish or impair established property values within the surrounding area, or in any other respect impair the public health, safety, comfort, morals or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owner of the property located at **393 E. LIVINGSTON AVE. (43215)**, in using said property as desired; now, therefore:
