1. BACKGROUND

The Department of Public Service, Division of Design and Construction, frequently must acquire minor parcels of permanent and temporary right-of-way for the Resurfacing program and associated ADA Curb Ramp improvements throughout the City. To expedite the right-of-way acquisition process, this ordinance establishes a contingency fund in the amount of \$100,000.00 for the City Attorney's Office, Real Estate Division, to hire professional services, negotiate with property owners, and acquire such parcels as they are identified.

2. FISCAL IMPACT

This is a budgeted expense in the amount of \$100,000.00 within the Department of Public Service's 2019 Capital Improvement Budget, Fund 7704 (Streets and Highways Bond Fund), Project P530282-100125 (Resurfacing - In House Design Right of Way Fund). An amendment to the 2019 Capital Improvements Budget is necessary for the purpose of providing sufficient spending authority for the proper project.

3. EMERGENCY DESIGNATION

Emergency action is requested in that it is necessary to establish the contingency fund so acquisition-related activities can begin immediately upon identification of necessary parcels, preventing delays in project construction schedules.
