### 1. BACKGROUND

This resolution declares the official intent and reasonable expectation of the City of Columbus, on behalf of the State of Ohio (the Borrower), to reimburse the State Issue II Street Projects Fund for the Citywide School Zone Flashing Beacon project with the proceeds of tax exempt debt of the State of Ohio.

The aforementioned project will replace and upgrade school flashers to improve performance and reliability. The project will also install units at schools that currently do not have these types of warning devices.

Ordinance 1795-2019 authorized the Director of Public Service to submit applications for Round 34 of the State Capital Improvement Program and to execute agreements for approved projects. The Ohio Public Works Commission has since offered a twelve-year, zero percent interest loan totaling \$318,232.00 to the Department of Public Service to facilitate the completion of the Citywide School Zone Flashing Beacons project. In order to comply with Internal Revenue Service regulations regarding this loan, it is necessary to adopt a resolution declaring the official intent and reasonable expectation of the City of Columbus on behalf of the State of Ohio (the Borrower) to reimburse its State Issue II Street Projects Fund for the aforementioned project with the proceeds of tax exempt debt of the State of Ohio.

### 2. FISCAL IMPACT

This resolution will allow the Department of Public Service to accept monies from the Ohio Public Works Commission for the \$318,232.00 zero percent interest loan awarded under the State Capital Improvement Program.

### 3. EMERGENCY JUSTIFICATION

Emergency action is requested to expedite the receipt of the loan proceeds such that these funds can be utilized as soon as possible.
