File #: 2254-2020, **Version:** 1

BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into a grant agreement with 1DivineLine2Health for the provision of services for a nine-month period that begins on March 1, 2020, and terminates on November 30, 2020. The total amount of this grant is \$15,000.00 and will be funded from CARES Act funds.

The COVID-19 pandemic has caused unforeseen needs among Columbus and Franklin County residents. In addition, human service agencies working to meet those needs have been impacted by unforeseen and unbudgeted costs. As a result, many residents and nonprofit human service providers are experiencing economic instability. It is essential for the City of Columbus to invest in ways that increase their resilience and stability.

1DivineLine2Health provides services to those individuals impacted by human trafficking, including basic medical care, the provision of food and other essentials, and a safe haven for those needing temporary shelter. These services provided by 1DivineLine2Health cannot be provided by existing city employees because these services are beyond the City's current staffing capacity to provide.

Emergency Designation: Emergency action is requested to ensure that 1DivineLine2Health can begin providing additional services as soon as possible.

Fiscal Impact: Funding is provided to the City of Columbus from the Coronavirus Aid, Relief and Economic Security (CARES) Act passed by Congress and signed into law March 27, 2020, and available in the Department of Development's CARES Act budget (fund 2207, subfund 220702).
