

Legislation Text

File #: 2638-2020, Version: 1

This legislation authorizes the Director of Public Utilities to renew an existing service agreement with Linko Technology Inc. (DBA Tokay Software; previously known as Tokay Software, Inc.) for services for Backflow Prevention Management Software.

On December 4, 2015, the Department of Public Utilities received one (1) proposal in response to an RFP for backflow prevention management software services. Tokay Software, Inc. was selected to provide this service. For each year of the ten-year contract, funds for the services shall be reviewed, and expenditures shall be approved by ordinance of City Council, and appropriation and certification of funds by the City Auditor. The first year of the agreement (2016), the contract was funded in the amount of \$43,262.50. The second through fifth years of the agreement (2017-2020), the contract was funded in the amount of \$45,200.00 per year. The maximum obligation of the City for services described in this agreement for the sixth year of the contract (2021) is \$45,200.00. If additional funding is needed, a modification will be processed based upon mutual agreement of the parties, approval by City Council, and certification of the funds by the City Auditor.

Tokay Software, Inc. publishes and supports cross-connection control program management software for use in managing backflow prevention within a water distribution system. This software is necessary to allow for: management of the office database, management of the office workflow, and online submittal of up to 42,000 annual backflow prevention assembly test reports processed by the Backflow Compliance Office as part of their regulatory compliance program. The ongoing software support allows DPU's users of the software to continue to search customer records, create notification letters for the regulatory enforcement duties of the office, and to monitor customer compliance with the protection, testing, and survey requirements of City Code, DPU Rules and Regulations, and the Ohio Administrative Code.

SUPPLIER: Linko Technology Inc. (DBA Tokay Software; previously known as Tokay Software, Inc.) Vendor #029996 / CC#47-2917533 / MAJ / Expires 11/18/21

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

1. Amount of additional funds: Total amount of additional funds needed for this contract renewal is \$45,200.00. Total contract amount including this renewal is \$269,262.50.
2. Reason additional funds were not foreseen: The need for additional funds was known at the time of the initial contract. This legislation adds additional funding for the sixth year of a ten-year contract.
3. Reason other procurement processes were not used: Work under this renewal is a continuation of services included in the scope of the original contract. No lower pricing/more attractive terms and conditions are anticipated at this time.
4. How was cost determined: The Department of Public Utilities and Tokay Software, Inc. negotiated the cost of this contract.

FISCAL IMPACT:

\$45,200.00 is needed and budgeted in the 2020 Water Operating Fund for this expenditure.

Future anticipated expenditures for this project (these are estimated costs and are subject to change):
\$45,200 per year 2021 - 2025

\$35,218.00 has been spent year-to-date for this purpose in 2020.
\$40,826.00 was spent for this purpose in 2019.
\$40,227.00 was spent for this purpose in 2018.

To authorize the Director of Public Utilities to renew an existing service agreement with Linko Technology Inc. (DBA Tokay Software) for backflow prevention management software services and to authorize the expenditure of \$45,200.00 from and within the Water Operating Fund. (\$45,200.00)

WHEREAS, the Department of Public Utilities has a continuing need for backflow prevention management software services in order to track customer compliance with, and enforcement of, City Code 1113.01 and Department of Public Utilities Rule and Regulation 09-02; and

WHEREAS, the Division of Water is required by the Ohio EPA and the Ohio Administrative Code to run an effective cross-connection and backflow control program; and

WHEREAS, after completing the RFP process and proposal evaluation in 2015, the selection committee recommended an award be made to Tokay Software, Inc.; and

WHEREAS, services under this agreement are to be provided over a period of ten years with funds being reviewed and approved each year of the ten-year contract by City Council and certified by the City Auditor; and

WHEREAS, it is necessary to authorize the expenditure of up to \$45,200.00 from the Water Operating Fund for year six of this contract; and

WHEREAS, it has become necessary in the usual daily operation of the Department of Public Utilities, Division of Water, to authorize the Director to renew this existing agreement with Tokay Software, Inc. in order to continue using backflow prevention management software services for the Department of Public Utilities; now therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be and is hereby authorized to renew the contract with Linko Technology Inc. (DBA Tokay Software) for software support services and hosting services for an online backflow prevention assembly test report submittal portal.

SECTION 2. That the expenditure of \$45,200.00 or so much thereof as may be needed, be and the same hereby is authorized for the sixth year of the contract in Fund 6000 Water Operating Fund in object class 03 Services per the accounting codes in the attachment to this ordinance.

SECTION 3. That said firm shall conduct the work to the satisfaction of the Director of Public Utilities.

SECTION 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 5. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.
